

Teambuilding Workshop with Disc Profile Assessments

One of the keys to increasing employee engagement is understanding your employee's needs and having a strong grasp on their unique communication and personality styles. One of the best tools leaders use to accomplish this task is the DiSC® Profile. We're offering these assessments, along with the training and tools you need to maximize the impact.

This 2-hour Workshop Includes:

- Up to 10 DiSC® Profiles
- Interactive presentation on the 4 profiles
- Explanation on how to use the DiSC® profile to improve communication and teamwork
- Teambuilding exercises

The Impact:

- Improve team communication
- Uncover unique strengths in individual team members
- Get the team working together with renewed camaraderie
- Increase team performance

Your Commitment:

The cost of this workshop is based on the size of your team.
