

LEVEL UP YOUR LEADERS

MANAGERS TO LEADERS WORKSHOP

Managing and coaching people is one of the most time-consuming activities a business owner has to do. What if this burden was no longer on your shoulders as we unlock the leadership potential of your current managers?

AUGUST 23RD, 2023 - JANUARY 17TH, 2024
SOUTHLAKE, TX

During the workshop, high potential managers are placed in a shared learning environment with peers from different industries. They will be equipped to effectively get work done through others by mastering time management, delegation, communication, strategic thinking, and leading change.

INVEST IN TOP TALENT

WHO IS YOUR RISING STAR YOU DON'T HAVE TIME TO TRAIN?

As small businesses grow, managers are promoted or hired.

Without the right tools, this new leader will struggle to deliver results, delegate effectively, and gain confidence in themselves.

This 6-month leadership course is specifically designed for first-time and front-line managers in growing businesses. They gain leadership insights one bite at a time, and leave inspired to do the hard work using our tools to effectively drive results through others.
